

Atrium Health Virtual Visit lets you have a live video chat with a qualified healthcare provider, 24 hours a day, 7 days a week. All you need is a camera-enabled tablet, smart phone or computer with internet connection. No appointment needed. Most visits last about 15 minutes. Every visit is HIPAA compliant, secure and confidential.

It is \$49 a visit and you pay by credit card. Visits are for all Adult and Pediatric patients.
